CONDITION OF SALE

Prices offered in this Catalog cancel all previous offers.

FUMIGATING—With Hydrocyanic Acid Gas, when State laws or customers so require.

PACKING—At actual cost.

All orders taken and accepted by the Audubon Nursery Company are subject to the condition of crops or short supply beyond their control.

PAYMENT—Terms as usual, due the first of the month following shipment, to parties known to us; from unknown parties, we require cash or satisfactory references.

RATES—Forty of one kind, at the 100 rate; 250, at the 1,000 rate.

OUR RESPONSIBILITY — All goods travel at the risk and expense of the purchaser.

All plants are carefully labeled, and in case of mistake on our part, we hold ourselves prepared to replace, on proper proof, all that may prove untrue, or to refund the amount paid therefor; but at no time should we be held responsible for a greater amount than the original purchase price of the plants.

ERRORS—All claims must be made within five days after receipt of goods, otherwise they will not be entertained.

While we exercise the greatest care to have our plants pure and reliable, they are sold without any responsibility, expressed or implied, in respect to the crop. If the purchaser does not accept the goods on these terms, they must be returned to us at once, and money paid us for them will be refunded. Their acceptance will be taken as proof that they are satisfactory.
